

PLEASE do not overturn New Jersey's "Do Not Call" law. It has been such a pleasure knowing that when the phone rings it's not going to be someone invading my time and my home and trying to sell me something I do not want. I have never bought anything from a telemarketer and I'm sure most, if not all, New Jerseyans who signed up for the Do Not Call registry are in the same boat, so why should we be hassled when they're not going to make a sale with us anyway? Thank you!
